Building of Excellence

2009

Dedication:

Mr. Donald C. Smith

This year, as in the past, the Talon Staff found that many people were suited for the dedication. The person selected must meet outstanding qualifications in many fields. The yearbook staff was asked to consider the candidates in the areas of classroom performance, support of the activities program, length of service in education, extra time spent with students, and contributions to professional organizations.

The recipient selected this year excels in all of the above criteria. This person was educated at the University of California at Los Angeles and served two years in the U.S. Army. He has taught at Calhoun since 1956 as an English teacher, a swimming coach, and a driver training teacher. He is not only known as a superior English teacher, but also as a leader. He is involved in many activities, the most outstanding being the annual American Heritage Tour. This person has rightfully earned the dedication of the yearbook.

The 1984 Talon is proudly dedicated to Mr. Donald C. Smith, outstanding educator and friend to the students at California High School.

Dear Don,

Thank you for the years of friendship and dedication.

We have shared moments of joy and sorrow working toward the common goal of educating students.

Now you are richly earning the respect due you.

Irma Hughes
Department Chairman
English 11 & 12

Mr. Smith is one of our most outstanding teachers. He is one of the most dedicated and talented teachers that I have the pleasure of working with. He is very sincere and desirous that students succeed at their potential. He is sought out for his advice and is well respected by other teachers.

C. D. Pledger
Assistant Principal
Curriculum

Native Californian, Bruin, All-American swimmer, life guard, infantry officer, CIF and league champion coach, teacher, tour conductor, father, husband, adviser, friend, choir member, official, department chairman. These are just some of the ways to describe this man.

His dedication to teaching and to his profession are held in the highest regard by the entire staff of California High School. It is to him that the faculty as well as students turn for leadership, advice and solutions for problems. Donald Smith, you are the epitome of an educator.

William Johnson
Career Center

Every profession has exemplary models which serve as an ultimate standard of excellence. Those of us who are privileged to serve in the profession of education envision the ideal teacher as one who is able to motivate his students to do their very best, who truly cares about his students as human beings, who is understanding of individual differences, and is always willing to give freely of his own time to help others be successful. We see this person as intelligent, articulate, well prepared, and dedicated. We also know that this person must have that extra something called leadership or charisma which sets them apart from all others.

On the campus of California High School we are truly fortunate to have such a person, a person who serves as a model for the rest of us to follow. That person is Don Smith — the epitome of what every educator should strive to become.

Folklorico Dancers

The California High School Ballet Folklorico Orgullo Mexicano has been in existence three years and has twenty-six members. The group is sponsored by the Expanded Horizons Program. The students practiced one hour daily during Z Period under the direction of Mrs. Maria Venegas and Mr. Ricardo Alvarado's advisement.

The folklorico group performed at schools in the community, Los Angeles County Fair, Whittier High School Auditorium (Annual Christmas Festival), Grand Hotel (Educational Conference), University of California, Santa Barbara, Pacifica Hotel (Educational Conference), and our own district schools.

The students in the group were taught poise, makeup, background of culture and music, costume construction, and performance techniques.

Girls' League Winter Formal

JANUARY 27, 1984

On January 27, 1984, those who attended the Girls' League Winter Formal Dance, with the theme "We've Got Tonight", enjoyed a spectacular view of Burbank from the Starlight Ballroom of the Castaway, while dancing to music provided by "Scandal". The Coke bar and hors d'oeuvres buffet were enjoyed by all, and souvenir glasses were provided as lasting memories of an elegant evening.

David and Lisa, a play written by James Reach, was performed on November 17, 18, & 19, 1983 by the Cal Hi drama department. The action of the play takes place in and around a school for emotionally handicapped teenagers. David doesn't like to be touched and has a strange fixation for clock mechanisms. Lisa is a schizophrenic, having two personalities. Together, with the help of Dr. Swinford the therapist, and the other troubled teenagers, they find the cure for their disabilities.

Girls' League

Dear Student Body

83-84 was one of the most successful years in the history of the Girls' League due to the endless hours of time and effort by the Board 'family' and the ever-present guidance of two outstanding advisers, Mrs. Hodges and Mrs. Dixon. Our event of the year, Hi Jinx, performed to standing room only. Students, parents, and faculty united their support and enthusiasm never before.

It is the sense of achievement at moments such as these that makes it all worthwhile. The opportunity to serve as your G.L. President has been both a great honor and a great experience for me. The knowledge I have gained in classes and activities will be a valuable life upon which I can further construct a successful future. I hope that each of us will be fortunate enough to enjoy every happiness that life can bring and that we will also be able to share that happiness with others.

Sincerely yours

Many students who have shown exceptional ability in the areas of scholarship, leadership, and service received awards from various businesses and community organizations. Unfortunately, due to publication deadlines, only those students who had earned awards prior to March 15 could be recognized in this book. Students receiving awards after this time received recognition through the school newspaper and at the Awards Recognition Night which was held in June.

Dear Readers,

This year has been a very trying one to me as Editor-in-chief of the yearbook. Many unexpected problems occurred. A lack of interest on the part of some staff members and problems created by the new "Z" period often resulted in a great amount of absenteeism. This absenteeism caused those who attended to handle more than their fair share of work. In spite of these problems, the staff managed to do an awesome job for the student body. I sincerely hope that people who read this book realize the many hardships a few people made on their behalf.

C'est la vie!

1984 has been a year for new beginnings for Cal Hi. Many areas of the curriculum were affected. Also affected was the Californian, but despite a new schedule, a new advisor, and a relatively new staff, the student paper provided a means for students to express themselves in a manner respected by all.

The Staff of the Californian faced many problems throughout the year. As we met each deadline and produced each issue, we began to enjoy the challenges more each day. The greatest benefit of working closely with a small group of dedicated and caring students is the feeling of pride in seeing a job done. Finally, we were able to look back and realize what an accomplishment we had achieved. As we look back in later years, I'm sure that those feelings will grow.

Dear Student Body

The books have been put away, and I have begun to access my years at California High and the challenges of the future as graduation is upon us. We have completed a very important period in our lives. We have passed through a significant American rite of passage — high school. We will never again enjoy the recklessness and fun-filled days of the past, but we will remember them forever.

This year has been one filled with enthusiasm and spirit. Its success and pit-falls have molded us and hopefully have made us the better for it. The teachers, administrators, and counselors who guided us gave us not only the great gift of knowledge, but hope for tomorrow. I would like to thank them for the impact which they have made on my life.

There have been many significant elements to my high school existence, but few are as important as my friends, old and new, and the time I spent with them. Though this is a time of good-byes, I know that the trust and love we shared will continue to grow "through the years."

I would like to thank the A. S. B. Cabinet for the progress and work which was made this year. I would also like to thank the student body for the opportunity to hold this office. I sincerely hope that we are all blessed with peace and happiness.

Dear Seniors

I am very thankful to have been given the opportunity to represent the Senior Class this year because never before has there been a class like 84

I would especially like to thank Mrs. Hughes, our senior class adviser, for all her help and cooperation which she gave to the senior class. Along with her, my senior class officers, Marnie Day and Marlene Clarke, were also a tremendous help.

Thanks to all who supported the senior class

Junior Class Officers

Dear Juniors

Looking back at our Junior year, I've seen many changes within our class. I feel with the experience we have gained this year, that next year, our last year at Calhi, will be the most rewarding and memorable yet. I'm very grateful to you, the class of '85, for allowing me the honor of being your Junior Class President. I could have never done it without the help and support of my fellow officers John Wilson and Suzanne Etseaff. We're all very grateful for the help and experience of our adviser Mr. Gary Loe, and we were fortunate to have a cooperative and productive class council. I hope that you've all had as great a time this year as I have, and I would just like to say, "thank you"

Sincerely

Lynda Hutcherson

Sophomore Class Officers

Dear Sophomores,

See you next year as Juniors,
and the year after that as Seniors
And the year after that
I won't see you

Let's make the most of today
By learning the most we can
and making lasting friendships

As the years pass
Our paths may stray,
But we'll always be united as

FRESHMEN CLASS OFFICERS — Sonia Garcia Secretary Shelly Soto President and Kase Wethington, Vice President

To the Class of 1987

Your four years at Cal Hi are the years that you will always cherish. Your Freshman year is usually the hardest year of them all, but it sure is a lot of fun. You have met many new people, and have made many new friends and still have many more friends to make.

Being class president has been a wonderful experience for me. I will never forget it. Two people who have helped to make this a great year at Cal Hi are my two officers Kasey Wethington and Sonia Garcia. I would like to thank the council, and of course, Mr. Farrell, for all their help. Most of all, I would like to thank you the Freshmen Class, for making it such a wonderful year.

Sincerely,

Shelly Soto

 JEFFREY D. HARRIS FOR MR. HARRIS, STAFF PHOTOGRAPHER
 MR. HARRIS PHOTOGRAPHERS THE RECIPIENT OF THE AWARD
 FROM THE STATE BOARD OF EDUCATION

The President
requests the pleasure of your company at
the Presentation of Presidential Awards
for Excellence in Science and Mathematics Teaching
to be held at
The White House
on Wednesday morning, October 19, 1983
at eleven o'clock

Enter Southwest Gate

(left) THE WHITE HOUSE, WASHINGTON, D.C.
OCTOBER 19, 1983 Mr. Corcoran accepts the
Presidential Citation for Excellence in Science
and Mathematics Teaching from Dr. Edward
Knapp, Director of the National Science Founda-
tion.

Mr. Clyde L. Corcoran of the California High School's Mathematics Department had the honor of receiving the Presidential Award for Excellence in Science and Mathematics Teaching in October of 1983. Mr. Corcoran has had many accomplishments in his life. He has served on different state committees for a number of years and has written four algebra books. However, nothing could compare with the honor of being selected as one of the two teachers from the state of California who received the Presidential Award. In September, 1983, Mr. Corcoran flew to Sacramento where he was presented with a Legislative Resolution and a Certificate from the State Board of Education. Later, in October, Mr. Corcoran went to Washington, D.C., where he, along with the other recipients from various parts of the country, attended several receptions held in their honor. The greatest thrill of all, however, occurred when Mr. Corcoran attended a reception at the White House and met with the President of the United States, Ronald Reagan. It was at this reception that Mr. Corcoran actually received the Presidential Award.

It is indeed a pleasure for me to extend congratulations to the Annual staff and to the Senior Class for an excellent year.

As we review the pages of this 1984 Talon, we are reminded of this year's numerous successes and accomplishments. It is obvious that many students have taken to heart the Olympic spirit of "going for the gold". A spirit that is reflective of the pride and strong desire to be the best, not only personally, but especially for California High School. We applaud your achievements.

I wish you continued success and happiness.

To Kim,

You are a supper friend. Thank you for being my friend. You are very special to me.

You and I have been in some classes this year.

Hope we can do it again, but more. Have fun in the summer and the boys. You take doing the summer maybe we can do something so if you do call me at 698-4379 my own phone number.

Bye for now see you
in the fall

Your friend
